By Weblink: Molly Cotant, MDHHS; Courtney Cole, MDHHS; Cheryl Melroy, Munson Healthcare Grayling Hospital; Hollee Roush, Munson Healthcare Manistee Hospital; Kim Benz, Munson Healthcare Cadillac Hospital; Susan Affholter, HDNWMI, Catalina Burillo, Mercy Health Lakeshore; Andrea Cassell, ACS

Discussion	Action
<p>Summit Follow Up Discussion The group reviews the evaluation survey results for the September Summit. Comments and suggestions were as follows:</p> <ul style="list-style-type: none"> • For the keynotes next year look local, perhaps hospitals have some good speakers • Summit should remain in September • Speaker on connection between Adverse Childhood Experiences and chronic disease (CDC has done an ACES study) <p>Attendance was 87 participants and 32 people completed the evaluation.</p>	<p>Coalition members should begin thinking of speakers and send suggestions to Sally Mellema at smellema@dhd10.org</p>
<p>DHD #10 Community Health Improvement Plan Update</p> <p>Donna reported that the DHD #10 2017 Community Health Improvement Plan which covers the ten counties in the DHD #10 jurisdiction will be presented to the Board of Health for approval in November. Summits to gather final input on objectives and strategies from community members were held in September and October in each county.</p> <p>Donna reviewed the overarching DHD #10 goals and objectives that relate to chronic disease prevention. Goals are:</p> <ul style="list-style-type: none"> • Decrease the percent of women who smoke while pregnant • Decrease the percent of adults who report being obese 	<p>Link to DHD #10 CHNA: http://www.dhd10.org/about-us/community-health-needs-assessment/</p> <p>Link to DHD #10 CHIP: https://www.dhd10.org/about-us/community-health-improvement-plan/</p> <p>Each local health coalition in each county will be working on CHIP objectives and will report on them at each meeting.</p> <p>The funding for local coalitions for PSE change must be linked to the County Coalition's CHIP objectives for FY 18.</p>
<p>CHIR Updates</p>	

<p>Melanie Perry presented regarding the Able Change model that the CHIR is using to develop a strategic plan to reduce obesity. A second training was held on October 11th and 12th to continue planning using this model. There were 90 representatives and the group broke into 4 subgroups for strategic planning. These groups were: affordable housing, transit and non-motorized transportation, social cohesion, and affordable foods. These groups identified root causes for obesity and then brainstormed some strategy concepts. The strategy design teams will prioritize the strategy concepts. Next trainings will be Jan. 24 and 25.</p>	<p>Donna will send out the notice for the training when it becomes available.</p> <p>The result of this work will be a shared strategic plan for obesity prevention for the Northern Michigan CHIR region.</p>
<p><u>PSE Change Task Force</u></p> <p>Next PSE GROUP Meeting: November 30 at 1 p.m. This meeting will be focused on Summit 2018 planning.</p>	
<p><u>Tobacco Prevention and Cessation Community/Clinical Linkages Task Force – Donna Norkoli and Karen Ripke</u> Trained TTS met to coordinate services in respective counties so all counties are covered. The group discussed plans for recruiting healthcare provider offices to work on health systems change for tobacco dependence treatment Karen is working with Public Housing in Mecosta County to offer cessation services to those housing authorities required to go smokefree. Karen plans on conducting a TTS training in June of 2018. We are also promoting the SCRIPT program for pregnant women across our region. Training for our agency will begin in January. FSU received a grant for a tobacco free campus policy implementation. Students are conducting surveys in 10 classes on campus and have developed an online survey for staff to determine support for a Tobacco-free campus. There is also a petition circulating for students and staff to sign. The student newspaper is publicizing activities related to the TF campus initiative.</p>	<p>The next Meeting of the Tobacco Task Force will be on November 27 at 1 p.m. at the Cadillac office of DHD #10.. Call in will be available.</p> <p>Karen Ripke is available to arrange for tobacco cessation for all public housing that are adopting smokefree policies.</p>
<p><u>Northern Michigan Diabetes Prevention Program</u> Medicare will pay for DPP as a covered service in 2018. The State is conducting a survey for feedback from providers and also offering trainings by webinar. The Diabetes Prevention collaborative is promoting the NDPP classes throughout our region.</p> <p>NDPP classes will be beginning in Jan. in Manistee, Newaygo, Crawford, Wexford, and Oceana counties.</p>	<p>Next NM DPP Collaborative call is January 29th 1:30-3:00</p> <p>Contact Kim Chandler or Amanda Woods awoods@mhc.net if interested in participating</p> <p>For call-in information contact Kim Chandler kchandler@dhd10.org</p> <p>For information on DPP classes go to:</p>

Member Updates

Courtney Cole– ACS

The MCC statewide conference will be held on November 8.

Anuli Njoku, Ferris State University

Anuli reported that the Tobacco-free Campus initiative is going well. Thirteen students participated in a tobacco butt clean up and were interviewed by the paper.

Molly Cotant – MDHHS Tobacco Section

The Tobacco Prevention and Reduction Program at the Michigan Department of Health and Human Services held listening sessions for community members to tell them about tobacco use in their local neighborhoods to help inform their work. They invited all community agencies, organizations and community members.

The listening sessions were held in November in Sault Ste. Marie, Gaylord, and Kalamazoo.

Catalina Burillo, Mercy Health Lakeshore

The Diabetes Prevention Program is being conducted in Oceana County in Spanish. Four weeks have been completed and they have 15 participants.

Next meeting date: January 5, 2017 from 10 – 12 at Ferris State University.
